

PERKINS APPOINTMENT TO BE HELD UP A WEEK

Senate Committee Will Report Favorably To-morrow on Past of Smith's Selection.

ALBANY, Jan. 28.—All of day Smith's appointments except that of Frances Perkins will be reported favorably to the Senate to-morrow by the Finance Committee. This announcement is made on authority. The committee went into session today immediately following the adjournment of the Senate.

The Perkins appointment is to be held for one week more. It was agreed that it would then be reported to the Senate without any recommendation and left for the action of that body.

STATE SENATE DRY VOTE TO-MORROW; LABOR PLEA DENIED

Boylan Suggests Workers Might Take Reins of Government Into Own Hands.

(Special to The Evening World.)

ALBANY, Jan. 28.—Senator John Boylan of Manhattan caused considerable comment to-day in the Senate by suggesting that labor might "take the reins of government into its own hands." He made the suggestion during debate on a request filed in the name of organized labor by James P. Holland for ten days' delay before taking up the passage of the prohibition amendment.

Senator Boylan argued that labor was entitled to every courtesy it sought at the hands of governmental bodies throughout this country because of the part it played in carrying on the world war and the share it contributed to the success of the war. The request for delay was defeated by a vote of 28 to 21.

Senator Abeles of the Bronx was the only Republican who voted in favor of granting the request. Senator Sage of Albany voted against delay, saying he did not see any reason for further hearings. Senator Sage and Senator Lockwood of Brooklyn are the only two Republicans who will vote against the ratification measure to-morrow.

Senator Lockwood issued a statement to-day in which he said he would violate the wishes of his constituents if he were to vote for the measure.

Senator Sage has prepared a written speech which he will deliver on the floor to-morrow. He says he takes this method in order that there may

be no misinterpretation of his reasons for voting against prohibition. Senator Sage refused to sit in the caucus last night. He entered the conference and when it was turned into a caucus he left. Senator Lockwood remained, but made it clear he would not abide by the action of the caucus if it approved of the passage of the ratification resolution.

The resolution will be taken up for passage in the regular order to-morrow afternoon. Senator Foley will move the substitution of the referendum measure, and, failing to have that adopted, will move to amend the ratification resolution so as to provide for the approval of the voters of the State on the action of the Legislature.

\$23,500 FOR FURNITURE.

Set of 8 Louis XVI. Pieces Bought at Auction by M. A. Bruell.

M. A. Bruell paid \$23,500 for a Louis XVI. set of furniture yesterday afternoon at a sale of effects for the account of A. Mitchell Palmer, Alien Property Custodian, in the Anderson Galleries. The set consisted of a sofa, two bergères, one marquis, two fauteuils and two chairs, all covered with embroidered silk.

A Louis XVI. rosewood table was sold to M. Magnus for \$1,600. P. W. French & Co. paid \$1,500 for a Louis XV. rosewood table, a set of six Chippendale chairs went to Ginsberg & Levy for \$1,000, and the Metropolitan Museum of Art paid \$100 for a French terra cotta bust of a young man, late eighteenth century, showing the influence of Houdon. There were sixty-four items in the sale, which brought a total of \$12,753.

RAPS SHERIDAN AVENUE.

Supreme Court Justice Awards \$15,000 to Property Owners. Supreme Court Justice Cropsey of Brooklyn yesterday awarded \$15,000 to property owners whose land was damaged through the opening of Sheridan Avenue, Queens, from Flynn Avenue to Spring Creek, in the Fourth Ward, and at the same time took a rap at the city authorities, who in 1915 authorized the opening of the street.

"There is no apparent reason for opening this 80-foot boulevard as proposed in this proceeding," Justice Cropsey declared. "The proposed street has no connection with any highway at either end. It runs practically its whole length through the marshes. However, this opening has been approved by the city authorities, and the only duty of the court is to fix the awards and assessments. If the property owners in question wish to pay for the expense, probably there is no reason why any one should complain."

Two Sentenced as War Grifters.

Jacob A. Borman, a coat manufacturer at No. 102 Wooster Street, and Joseph Phillips, of S. Phillips & Sons, No. 712 Broadway, army contractors, were convicted yesterday before Judge Knox in the Federal District Court of using material furnished by the Government for uniforms for their own purposes.

Borman was sentenced to two years' imprisonment and to pay a fine of \$5,000. Phillips was sentenced to a year's imprisonment and a fine of \$1,000. Slays were granted in both cases.

LAUDER FEARS GERMAN DUST

Warns Against Growing Soft Hearted Toward Kaiser.

DETROIT, Jan. 28.—For fear that the "wind may blow some German dust over here and blind the American people," Harry Lauder warned Americans against growing soft-hearted toward the former Kaiser and the German people in an address before the Board of Commerce here.

"Don't think of the Kaiser as a poor soul who has a withered arm and is growing a beard," said Lauder. "The beard may hide his face, but it can't hide his sins. All things German are a plague and a disease and must be stamped out."

CLINTON THEATRE TO OPEN.

New East Side Playhouse Will Seat 1,600 Persons.

When the new Clinton Theatre opens Friday night the east side will claim one of the largest play houses in the city. It has been built at a cost of nearly \$100,000 and will seat 1,600 persons. It is at Nos. 80-82 Clinton Street, between Delancey and Livingston Streets, and runs through to Attorney Street.

English vaudeville, straight from Broadway, will be the type of attraction, different from anything else on the east side.

The theatre has all the appointments of a regular playhouse and boasts of a big stage, a smoking room and a lobby that is almost as big as some of the uptown theatres.
